

Altrusa is the Key to:

AMITY

The woman in business and professional work needs friends whose interests differ from those which keep her busy throughout the working day. ALTRUSA OFFERS AMITY.

LOYALTY

To such women, self-realization means, first of all, loyalty to one's own ideals. Next, it means loyalty to one's friends, to all women, to one's work, and to one's country. ALTRUSA STIMULATES LOYALTY.

TALENT

Talent needs recognition. No matter how great a person's ability may be, it never reaches its most effective level unless it is understood, encouraged and developed. ALTRUSA ENCOURAGES THE EXPRESSION OF TALENT.

RECIPROCITY

Each woman needs not only contacts that will aid her, but a chance to give corresponding benefits to others. ALTRUSA GIVES IMPETUS TO RECIPROCITY.

UNITY

When individuals form a unit which is so big in its aim that self is forgotten in the common purpose of the group, the next step in the evolution of womankind is accomplished. ALTRUSA DEVELOPS UNITY.

SERVICE

Because of Amity, Loyalty, Talent, Reciprocity, and Unity, ALTRUSA DEVELOPS SERVICE.

ACHIEVEMENT

Through such a plan of living and mutual stimulation, ALTRUSA BRINGS ACHIEVEMENT.

History

Altrusa, the Pioneer of Women's Service Clubs was established April 11, 1917, in Nashville, Tennessee, U.S.A. by a small group of women who were leaders in the business and professional world of their community.

Our Oshkosh Club was established in October, 1949 with nineteen charter members. Our first major project was establishing a three year nursing scholarship.

What is Altrusa?

Altrusa International of Oshkosh exists to enhance community service by providing volunteers and financial contributions; to develop leadership skills in our members; to foster appreciation of each others' careers and uniqueness.

- Altrusa is a builder of women.
- Altrusa develops true leadership, concerned with accomplishment and not with recognition.
- Altrusa is committed to the philosophy of unselfishness, the joy of giving rather than getting, and to search for that happiness which is based upon spiritual worthiness.
- Altrusa believes it is not enough to be good; Altrusans must be good for something. Each member must be doing her piece of work that is hers in a way that puts her in the front of the ranks of accomplishments.

Our Motto
